EDUCATION AND TRAINING

2 OCT 2021 – 23 MAR 2022 Amsterdam, Netherlands
FULL STACK DEVELOPER Le Wagon

I attended Le Wagon's bootcamp course in Amsterdam, where I gained valuable experience in building full stack applications and working in a team environment. The course provided me with practical skills and knowledge that I can apply in real-world situations. Overall, the experience was rewarding and helped me grow both personally and professionally.

Technlogies Used: Ruby On Rails, MySQL, Php, JavaScript

Address Amsterdam, Netherlands, Amsterdam, Netherlands | **Field of study** Software Development

10 SEP 2016 – 8 JUN 2021
IT DIPLOMA ITIS Indirizzo Informatica e Telecomunicazioni Biella

I have completed my high school education with a specialization in computer science, where I gained knowledge of various programming languages and software development tools. This academic pursuit has equipped me with a strong foundation in programming principles and has nurtured a problem-solving and analytical mindset. Overall, my education in the computer science field has enabled me to develop a passion for programming and a deep understanding of how technology can be leveraged to create innovative solutions.

Field of study Information and Communication Technologies
